	Fama va en Californie - www.carlexonline.com	5.95
	Presque mort - www.carlexonline.com	5.95
	Copy Fee (to be paid to Louise Wright)	\$12.00

This is a Christian based curriculum which incorporates bi-weekly bible verses. Prayer is an important component as we begin each class with prayer. There will be a test for each chapter, vocabulary words, Bible verses, songs/hymns, fun sheets, games, homework and plus an on-going project for each quarter which will all be calculated into their grades. The test will be sent with the student in a sealed envelope, or via e-mail, to be administered by the parent. Please have the student return the test in a sealed envelope the following week. The student will need:

One 3-ring binder; two solid colored 2-pocket folders; dividers; lined paper; pens/pencils; and a willingness to learn!! ☺

TEACHER INFORMATION:

I'd like to introduce myself as the French tutor for Wisdom Builders for this coming school year starting in August 2019. I'm originally from Montreal, Quebec, Canada born into a French Canadian family. My formal education was in English due to religious preference, but I have continued working with the French language here in the states. I am also a former homeschool mom, so I understand the importance of having classes taught by capable instructors. My three children are now grown and married making me a thankful "Grammy" to 10 adorable grand-children!! ☺ Two more on the way!! ☺

My teaching experience has been tutoring in my home since 1983, teaching French to grades K-2 at Pathways Christian School in Cincinnati, Ohio (1994-1998), high school level at BRANCH, which is also a Homeschool Co-Op (2004-2008) where I used the Abeka curriculum, and for the past nine years here at WB where I have used a variety of curriculums.

I am excited about working with your student at Wisdom Builders. If you have any questions, please do not hesitate to contact me.
